FESTIVE FUN WAS HAD BY ONE AND ALL!

Thank you to the Brookside Village Homes Association Board for again hosting the Fall Festival and neighborhood picnic on Saturday, September 15. Board members and families all contributed to a fun-filled afternoon. The event featured games, a bounce house for the kids, face painting, cookie decorating, and free hot dogs, chips, and water. *Thank you to all the residents that came out to the South Park for a fun-filled afternoon!*

REPORTING ISSUES IN BROOKSIDE 1, 2, 3, 4, AND WEST

Friendly reminder: if you are a resident in Brookside Village subdivision 1, 2, 3, 4, or West and you have issues or specific comments **regarding our neighborhoods** and are looking for action, **please** leave your name, address, and the best way to be contacted at either (734) 448-1312 or brooksidesubdivision@yahoo.com. (For questions about annual dues: (734) 448-1312 or brooksideaccounting@yahoo.com).

The Board volunteers who field your calls and e-mails want to help you, but they do not monitor the Brookside Village Homes Association Facebook page or comments on Nextdoor.com. Instead, your message **must** be directed to one of the resources mentioned above to ensure that your issue is registered with your Board members in a timely manner and they will have a record of your comments and their subsequent response. (For Canton Township-related matters, please refer to www.canton-mi.org/directory.aspx)

—Thanks for noting!

REMINDERS

FALL LEAVES, GRASS CLIPPINGS, AND MULCH

When raking and bagging leaves, **please be aware of any storm drains in front of your house.** Clearing them will help prevent blockages that become ice hazards in the streets during cold weather. Do not blow or rake leaves into the streets, for the same reason. Also, please take a few minutes to clear the leaves away from your own gutters and drain areas to prevent ice blockage.

Please avoid placing leaves in creeks or waterways, as it will build up and create a problem with water flow. ALSO, our subdivision **common areas and easements are not to be used for dumping your leaves, grass clippings, or garbage.**

Yard waste and garbage can be set out at the curb by 6:30 a.m. for pickup every week on Thursday mornings. Thank you for helping to keep our neighborhood WELL MAINTAINED!

2018-2019 HOLIDAY CURBSIDE COLLECTION SCHEDULE

There will be no yard waste, recycling, or trash pickup on Thursday, November 22, Thanksgiving Day. Residents whose collection date falls on the 22nd (that's us!) will have their collection on Friday, November 23. **Please note, our subdivision's last curbside residential yard waste pick-up will be on Thursday, November 29, and will not resume until April 2019.**

Because Christmas and New Year's Day both fall on Tuesday this year, there will be a one-day delay both weeks. GFL will be collecting Monday and Wednesday-Friday the weeks of Christmas and New Year's Day.

NATURAL TREES will be picked up on your regular trash day during the **FIRST TWO WEEKS IN JANUARY.** Please don't dump them in the subdivision common areas/easements.

LOW-HANGING TREE LIMBS

We have had some complaints about low-hanging branches over our subdivision streets and sidewalks, and we hear your concerns. We are encouraging our residents to trim the low-hanging branches on and around their property. If you live next to someone elderly, pay it forward and help them out as well. If you are not able to trim the low-hanging branches on your property, we ask that you call Wayne County Forestry to report such trees: (734) 522-7370. Sidewalk ordinances for our subdivision state there must be a 7 ft clearance.

Any and All violators will be subject to a first "warning" followed with a "fine" by Canton Ordinance department if corrections are not made.

MISSING SIDEWALK RAMPS AT BUS STOPS

If you know of any bus stop that has been impacted by the removal of the sidewalks ramps into the street, please contact the BVHA board immediately with the impacted location. Call (734) 448-1312 or send an e-mail to brooksidesubdivision@yahoo.com.

(734) 844-8733

spearstree@gmail.com

We would like to extend a special **Trim** offer to the **Brookside Community** to clean up the trees on the boulevards for both appearance and safety:

- **Simple Elevations** (for clearance of sidewalks and streets)- **starting at \$100-\$150 per tree** (depending on size and number of trees present)
- **Heavy Trims** (includes; thinning and dead wooding) - **\$250-\$350 per tree** (depending on size and number of trees present)
- Discount for **Multiple homes** if work is performed on the same day
Call us for more details!

We are a local family operated company servicing the Canton area for 25 years

SNOW ETIQUETTE FOR BROOKSIDE VILLAGE

- In a snow emergency, **MOVE ALL VEHICLES OFF THE STREET AS SOON AS POSSIBLE** to allow for snow plowing **during snow falls of 2 inches or more**. This really helps the plow trucks, especially in the Courts where plows must make tight turns. It also helps the homeowners, as the chance of another auto-mobile sliding into a parked vehicle on slick streets is very high.
- Fix or replace old and rotted **mail box posts** to help with the weight of the snow and slush that could be forced upon them.
- Use **brightly colored stakes** to mark edges of property in the case of sprinkler systems, etc., to alert snowplow drivers of areas to avoid.
- Please also mark fire hydrants with brightly colored stakes.
- All **damage to lawns** must be reported to the Brookside Village Homes Association ASAP. This is critical, because the Board members have **only 24 hours after plowing to report damage**. Dirt and sod fragments on top of the plowed snow may indicate damage to your lawn.
- **DO NOT PUSH SNOW FROM DRIVEWAYS AND SIDEWALKS INTO THE STREET.**
- Please **help your** elderly and/or disabled **neighbors** by clearing the snow in front of their mailboxes.
- Under township ordinance, homeowners must **remove the snow and/or ice from their own sidewalks** within 72 hours.

The Brookside Village Homes Association will see that icy entrances and school bus route intersections are salted. This is the only **salting** we pay for, as salt is VERY expensive.

If you notice damage to your lawn or hazardous icy street conditions in the subdivision, please report them to (734) 448-1312. Please be patient and limit your calls to one per day at the most. Remember, your board members are volunteers, and **will do their very best** to monitor calls as they come to remedy the situation as soon as possible.

Please read the next column for Canton's Ordinance and guidelines on clearing snow from your property and staying safe around the subdivision's retention pond.

SNOW REMOVAL IN CANTON

As the weather grows colder, please take the time to review Canton's guidelines on clearing snow from your property. Unshoveled snow can become dangerous patches of ice. Canton has Ordinances to prevent snow-related accidents from occurring:

Canton Charter Township, (Wayne Co.), Michigan, Code of Ordinances
PART I - GENERAL ORDINANCES
Chapter 62 - STREETS, SIDEWALKS AND OTHER PUBLIC PLACES
Sec. 62-37. - Ice and snow removal.

No person shall permit ice or an accumulation of snow to remain on any sidewalk adjacent to a lot or parcel occupied by him, or on a sidewalk adjacent to any unoccupied lot or parcel owned by him, for a longer period than 72 hours after the ice or snow has formed or fallen.

(Ord. No. 145, as amended, § 7, 7-24-2001)

As is the case every winter, any homeowner in violation of this ordinance will be responsible for anyone falling or getting hurt while attempting to walk on their sidewalks. **If you have a concern over this compliance issue, YOU can call these phone numbers** — for ordinance complaints: (734) 394-5400; for ordinance questions: (734) 394-5335; or the Clerk's Dept: (734) 394-5125, for General Ordinance questions.

Let's all work together this coming winter to keep our neighborhood safe!

WINTER POND SAFETY

The pond located south of Finley Drive near Lotz Road is a retention pond designed to hold runoff from the streets. The water in the pond may contain oil, road salt, antifreeze, and so on. The pond continuously drains into Fellows Creek.

Because of these factors, the pond never completely freezes, and should be considered **UNSAFE** for any type of activity, including ice skating or sledding. **Parents — make sure your children are aware!**

Working hard to get you 100% of your asking price!
