HAPPY NEW YEAR TO ALL OF OUR RESIDENTS IN BROOKSIDE VILLAGE!

Our wish for every Brookside Village homeowner, family, and renter is for a happy, healthy, and prosperous 2019.

*-Brookside Village Homes Association
Board of Directors*

2019 ASSOCIATION DUES— PLEASE READ!

2019 Homes Association Dues will total \$90.00 for the year. The increase will help to pay for additional landscaping and maintenance in our parks and around the creek. This dues increase was discussed in November and voted on and approved by the BVHA Board in December.

2019 invoices will be mailed by mid-January. Please pay your dues when you receive your invoice. If you did not pay your 2018 dues, and/or there was a cumulative unpaid balance prior to 2018, your property will have been assessed a 6% interest fee on your unpaid balance as of December 31, 2018. This amount will be reflected on your 2019 invoice. If 2019 invoices are not received at the post office by March 31, 2019, a late fee of \$25.00 will be assessed, and all future collection efforts will be charged to the homeowner.

Dues notices are ALWAYS mailed out in January and are ALWAYS due by the end of March. Not receiving an invoice is not an excuse to not pay your dues—you can call the Board at (734) 448-1312 to request another invoice. We will post reminder signs at subdivision entrances in mid-March. **Pay your dues on time before the March 31 deadline, and you'll have nothing to worry about!** Please, mark your calendars!

On a positive note, the Board would like to sincerely thank those residents that look for the annual dues notice in the mail and send in their dues before the March 31 deadline! Your proactive response helps keep our neighborhood running and saves our volunteer Treasurer the added work of sending you a late notice.

REPORTING ISSUES IN BROOKSIDE 1, 2, 3, 4, AND WEST

Friendly reminder: if you are a resident in Brookside Village subdivision 1, 2, 3, 4, or West and you have issues or specific comments **regarding our neighborhoods** and are looking for action, **please** leave your name, address, and the best way to be contacted at either (734) 448-1312 or brooksidesubdivision@yahoo.com. (For questions about annual dues: (734) 448-1312 or brooksideaccounting@yahoo.com).

The Board volunteers who field your calls and e-mails want to help you, but they do not monitor the Brookside Village Homes Association Facebook page or comments on Nextdoor.com. Instead, your message **must** be directed to one of the resources mentioned above to ensure that your issue is registered with your Board members in a timely manner and they will have a record of your comments and their subsequent response. (For Canton Township-related matters, please refer to www.canton-mi.org/directory.aspx)

—Thanks for noting!

WELCOME NEW RESIDENTS!

The Brookside Village Homes Association Board would like to extend a warm welcome to all new residents. We provide services and activities for residents. Please attend a Board meeting and getting acquainted with the neighborhood. Meetings are every second Thursday of the month. Questions? Call (734) 448-1312. Leave your name and number and the best time to be contacted.

REMINDERS

WHAT DO OUR SUBDIVISION DUES PAY FOR?

Paying annual dues is an obligation and a fact of life when living in a subdivision—among other things, dues pay for lawn mowing of common areas, plowing snow from EVERYONE's streets, and salting intersections when needed.

Here are some specifics for 2019:

Snow Removal Contract	\$15,500.00
Lawn Maintenance Contract	\$15,000.00
Maintenance of Common Areas, Parks, and Pond; Mulch for playscapes	\$5,000.00
Tree Maintenance	\$9,000.00

Additional items budgeted for this year are: taxes; insurance; printing and delivering the subdivision newsletter six times a year; office supplies and postage for mailing the dues notices and subsequent past-due notices; electricity for our two parks; and additional/entryway/creek maintenance and clean up.

SNOW PLOW CONTRACT

We will again use Neher Perfect for our **contracted snow plowing** this winter season, and they would like residents to **review the following:**

*“Please have old/rotted **mail box posts fixed/replaced** to help with the weight of the snow and slush that could be forced upon them. Also, if homeowners could have all **VEHICLES OFF THE STREETS**, it will help not only plow trucks but the homeowners as well—if slick conditions occur, the chance of another vehicle sliding into a parked car is very high. **If vehicles are not removed from the street until after plowing is finished, \$35 per parking space will be billed to the homeowner—not the Association—for clean up. Neher Perfect will also be charging \$25 per home for any homeowner that is removing snow from their property and placing it into the streets that have just been plowed, and the plow drivers will come back to check these areas. These areas will cause the snow to compact and make a very hard, icy, dangerous area in the road for people and cars passing through, as well as for the plow trucks. Any damage to lawns must be reported within 24 hours of the snowfall. This may have happened if you see dirt and sod fragments on top of the snow.**”*

LITTLE FREE LIBRARY IN BROOKSIDE VILLAGE SOUTH PARK

by Katelyn Dunn

In October 2017, I set out to focus on earning a Girl Scout Silver Award - the highest award a Cadette level Girl Scout can earn. After some research and consideration I decided on building a Little Free Library for our subdivision. The first step was being put on the BVHA agenda in November 2017. At that meeting I shared my idea and hoped the board would approve. They asked me questions about cost, placement, purpose, and book supply. I was very nervous, but I was prepared and the board seemed pleased with my answers. In short, a Little Free Library is typically a box (or container) where people exchange books of any kind.

Take a book or leave a book. The boxes are found in front of schools, business, and public buildings. Some people have them in their front yards. They are popping up everywhere book lovers are found!

With the BVHA board enthusiastic about the project I needed to get things started. So, beginning in December 2017 I started collecting returnable bottles and cans from family, friends, and neighbors to raise money for the project. It took several months, but by the spring I raised enough money to start building. In the end, some materials were purchased and some donated as people learned about my project. Along the way I also needed some ideas on what the box should look

like plus how it should function. So I, along with my family, started looking at other Little Free libraries around Canton and really where ever we went including a trip up north.

Pretty soon I had some good ideas about what would work for the box in our neighborhood. I also knew how I wanted the box to look - matching the park entrance sign. The actual building was started over the summer as time permitted. By the

end of the summer the Little Free Library was finished and ready to be put into place. Going back to school caused some delays, but by October everything was ready to place the box in the park. Mrs. Olson, BVHA president, met with me to discuss where the box should be put for everyone to enjoy. I am now pleased to announce that not only is the Little Free Library in the South Park, but books are coming and going - something I hope goes on for years to come!

Finally, I would like to thank my parents Tim and Mary Dunn and my neighbor Dan Rivett for all their advice, suggestions, and support on the project. Plus, I want to thank the BVHA board for allowing me to fulfill this project and earn my Silver Award. I will receive the actual award in April 2019 from the Girl Scout Heart of Michigan Council. I learned so much with this project: building design, functional use, building with tools, and budget planning just to name a few things. So, please enjoy the Little Free Library. We share a neighborhood and the park - why not our books too!

SNOW ETIQUETTE FOR BROOKSIDE VILLAGE

- In a snow emergency, **MOVE ALL VEHICLES OFF THE STREET AS SOON AS POSSIBLE** to allow for snow plowing **during snow falls of 2 inches or more**. This really helps the plow trucks, especially in the Courts where plows must make tight turns. It also helps the homeowners, as the chance of another auto-mobile sliding into a parked vehicle on slick streets is very high.
- Fix or replace old and rotted **mail box posts** to help with the weight of the snow and slush that could be forced upon them.
- Use **brightly colored stakes** to mark edges of property in the case of sprinkler systems, etc., to alert snowplow drivers of areas to avoid.
- Please also mark fire hydrants with brightly colored stakes.
- All **damage to lawns** must be reported to the Brookside Village Homes Association ASAP. This is critical, because the Board members have **only 24 hours after plowing to report damage**. Dirt and sod fragments on top of the plowed snow may indicate damage to your lawn.
- **DO NOT PUSH SNOW FROM DRIVEWAYS AND SIDEWALKS INTO THE STREET.**
- Please **help your** elderly and/or disabled **neighbors** by clearing the snow in front of their mailboxes.
- Under township ordinance, homeowners must **remove the snow and/or ice from** their own **sidewalks** within 72 hours.

The Brookside Village Homes Association will see that icy entrances and school bus route intersections are salted. This is the only **salting** we pay for, as salt is VERY expensive.

If you notice damage to your lawn or hazardous icy street conditions in the subdivision, please report them to (734) 448-1312. Please be patient and limit your calls to one per day at the most. Remember, your board members are volunteers, and **will do their very best** to monitor calls as they come to remedy the situation as soon as possible.

Please read the next column for Canton's Ordinance and guidelines on clearing snow from your property and staying safe around the subdivision's retention pond.

NATURAL CHRISTMAS TREE COLLECTION SCHEDULE

NATURAL TREES will be picked up on your regular trash day during the **FIRST TWO WEEKS IN JANUARY**. Please don't dump them in the subdivision common areas/easements.

SNOW REMOVAL IN CANTON

As the weather grows colder, please take the time to review Canton's guidelines on clearing snow from your property. Unshoveled snow can become dangerous patches of ice. Canton has Ordinances to prevent snow-related accidents from occurring:

Canton Charter Township, (Wayne Co.), Michigan, Code of Ordinances

PART I - GENERAL ORDINANCES

Chapter 62 - STREETS, SIDEWALKS AND OTHER PUBLIC PLACES

Sec. 62-37. - Ice and snow removal.

No person shall permit ice or an accumulation of snow to remain on any sidewalk adjacent to a lot or parcel occupied by him, or on a sidewalk adjacent to any unoccupied lot or parcel owned by him, for a longer period than 72 hours after the ice or snow has formed or fallen.

(Ord. No. 145, as amended, § 7, 7-24-2001)

As is the case every winter, any homeowner in violation of this ordinance will be responsible for anyone falling or getting hurt while attempting to walk on their sidewalks. **If you have a concern over this compliance issue, YOU can call these phone numbers** — for ordinance complaints:

(734) 394-5400; for ordinance questions:

(734) 394-5335; or the Clerk's Dept:

(734) 394-5125, for General Ordinance questions.

Let's all work together this coming winter to keep our neighborhood safe!

WINTER POND SAFETY

The pond located south of Finley Drive near Lotz Road is a retention pond designed to hold runoff from the streets. The water in the pond may contain oil, road salt, antifreeze, and so on. The pond continuously drains into Fellows Creek.

Because of these factors, the pond never completely freezes, and should be considered **UNSAFE** for any type of activity, including ice skating or sledding. **Parents — make sure your children are aware!**

Working hard to get you 100% of your asking price!

*Have a Fun, Joyous & Peaceful Christmas And
Healthy Prosperous New Year!!*
